Cllr. R. Phillips for DNPA 0038/24 Ashlands Farm.

### **3. Planning matters for consideration:**

a) To consider:

#### **DNPA 0038/24**

Replace existing ancillary building at Ashlands Farm, Grenofen, Tavistock, Devon, PL19 9EW

Comment:

No Objection. (Cllr. R. Phillips did not participate in the discussion).

#### **DPNA 0061/24**

Erection of Polytunnel at Land To The West Of Gees Farm, Sampford Spiney, Tavistock, PL20 6LH.

Comment:

The Council do not believe that this is a commercial farm. It should be a full planning application. The polytunnel should be next to the existing buildings rather than in the open countryside.

Erection of a new steel framed galvanized building to cover a yard at Sortridge Farm, Horrabridge, PL20 7UA.

Comment:

Support on the basis of the environmental benefits.
